WE ARE NIDO

Welcome to your Nido

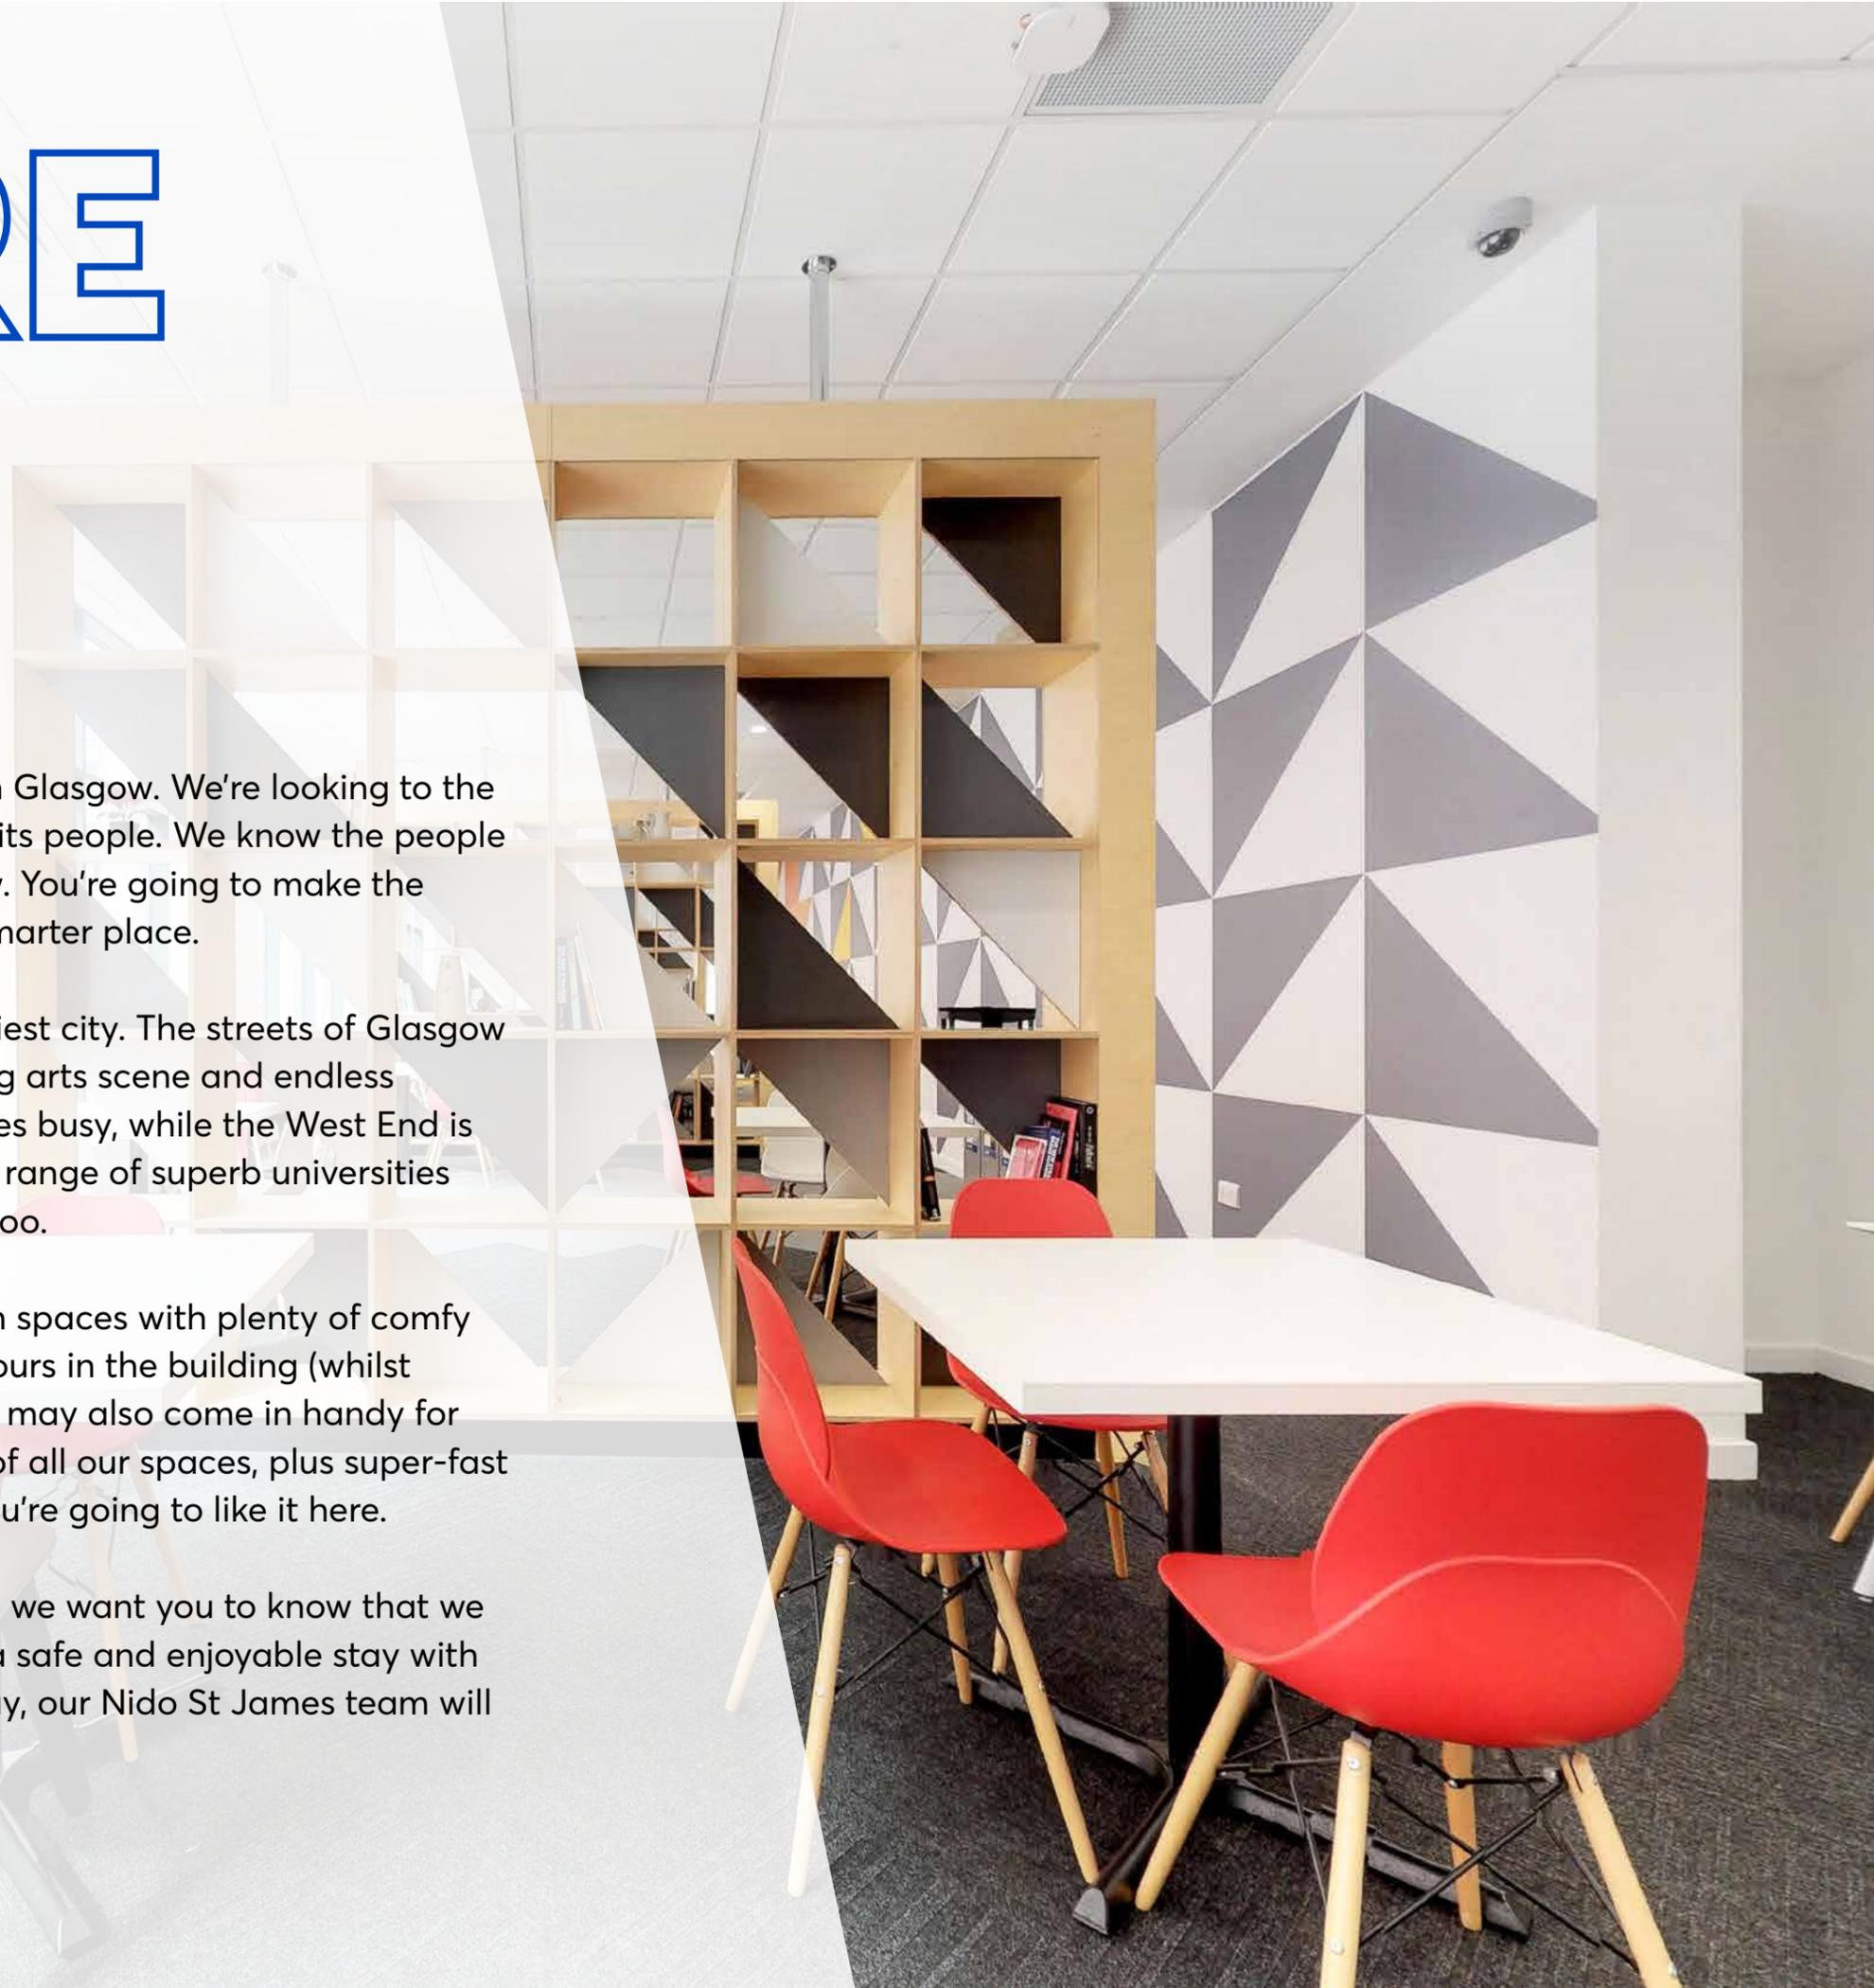

We're not your typical student accommodation in Glasgow. We're looking to the future. Not of our business, but of the planet and its people. We know the people living in our Nido community will shape tomorrow. You're going to make the world a kinder, more sustainable, healthier and smarter place.

Welcome to Glasgow. Scotland's largest and liveliest city. The streets of Glasgow are home to late nights and good times. A thriving arts scene and endless cultural highlights are sure to keep inquisitive types busy, while the West End is packed with eateries, bars and pubs. And with its range of superb universities you'll be part of a legendary academic tradition too.

At your Nido you can enjoy our beautiful common spaces with plenty of comfy seating. Perfect for you to meet your new neighbours in the building (whilst keeping your distance of course!) Our study room may also come in handy for those late-night study sessions. Take advantage of all our spaces, plus super-fast WiFi and events throughout the year. We think you're going to like it here.

We know this year has been full of uncertainty, so we want you to know that we are doing everything we can to ensure you have a safe and enjoyable stay with us. Should you need anything else during your stay, our Nido St James team will always be on hand to help.

Diversity

You are a part of a very unique community. The residents and staff at every Nido are a multicultural community of individuals. We are of diverse racial, ethnic, class and national origins. We are unique in that we strive to work and live together, and we can learn from one another in an atmosphere of positive contact and mutual respect.

We are committed to providing safe and inclusive spaces for all Nido residents and ask all students to behave in a way that supports each other and is respectful of the differences within our community. We expect residents to respect the rights of others and to be effective citizens of the Nido community. These principles are referred to in the licence agreement that has been provided to, and signed by all residents upon acceptance of their accommodation. Nido's full Equality and Diversity Policy can be found on the Nido website: www.nidostudent.com/help/equality-and-diversity-policy/

Respect for the rights of others

Residents living at Nido are expected to abide by standards of conduct. Respect and take into consideration others and their need to study and rest. At Nido, our team work hard to create an atmosphere conducive to study, enjoyment and learning how to live responsibly with other individuals. Every resident is expected to respond appropriately to requests from fellow students and staff concerning inappropriate or offensive behaviour.

Quiet/courtesy hours

Residents first and foremost have the right to study and to sleep at Nido. It is the responsibility of all residents and their guests to follow the quiet and courtesy hours policy in the building.

Courtesy hours are in effect 24-hours a day in all hallways, rooms and lounges and - this refers to general noise levels which should be 'within reason'.

Quiet hours are in effect from:

Sunday - Thursday between 10pm - 8am

Fridays - Saturdays between 11pm - 8am
